GENERATION

CHURCH

EXISTS:

to  *inspire* *people*
far from  *God to*
be established in Christ
forever. 

Generation Family,

2024 was a year of exponential growth for Generation Church on every level! It was a year like no other. What an honor to witness hundreds of people know God, find freedom, discover purpose, and make a difference. This is the vision of our house! That we would inspire those far from God to be established in Christ. How faithful is God that we would be able to witness our vision in full action? We see it happen every Sunday at our weekend services, throughout the week in Small Groups, at our quarterly Serve Days, and so much more!

We'd like you to remember that woven into all of the numbers you see throughout our Annual Report are real stories of real people. These people have encountered the presence of God

within spiritual family. And Glory to God, their lives have completely changed! Think of these possibilities: This year, a regular attendee finally decided to tithe for the first time, a GKid said the prayer of salvation at VBS, a new visitor chose to live out their God-given purpose and serve on our Home Team, or a NXTGEN Student took the step to be water baptized and leave their past life behind. As your pastors, we'll never tire of celebrating God's goodness!

In 2024, we began stewarding the prophetic word, "We see Revival." God has been faithful. The Lord made it clear to us, our staff, and elders that we should continue stewarding this word through 2025. We are only beginning to see the smoke of revival fire in our city.

Lastly, we want to thank you for giving financially in 2024. Thank you for hearing and obeying. Thank you for tithing and sacrificially sowing into our annual Legacy Offering. Because of you, we were able to give over \$100,000 towards missions just this year alone! Together, we are reaching people and building lives. The vision has never been clearer. We know God is WITH and FOR us as we enter year seven. Let's continue building His Kingdom until Miami looks like heaven!

*We love you,
Pastors Rich
and Tina Romero*

Reaching People, Building Lives

Juan and Maria Macias

After prayerful consideration, we made the decision to switch to Generation Church, and we couldn't be more thankful for the Lord's guidance in leading us here. Through Freedom Small Group, we were exposed to countless testimonies that reminded us we're not alone in our walk. Hearing those stories strengthened our faith and gave us the courage to trust God in new ways. We also found leadership for our marriage and built friendships that reflect Christ's love. Freedom gave us the tools we were missing to continue this walk of faith with confidence and purpose. Every Sunday at Generation Church feels like a renewal of hope and an extension of that support. We're so grateful to be a part of this beautiful community that feels like family and constantly points us back to Jesus.

Tavarus Brown

First and foremost, I truly thank God for placing me with a team that has a faith-firm foundation. It's an absolute honor to be serving side-by-side with brothers and sisters who have submerged a large amount of compassion into the community. I am truly blessed that God works through every one of you to share the good news of Jesus Christ. And I'm so grateful for this team. Through all the trials and tribulations I've been through, this amazing team helped me to strengthen my faith in Christ.

Yzzi Rodriguez

XII Conference was an event that I will never forget, the Lord's presence was flowing throughout the stadium. It was my first experience with the Lord, I got to understand who He really is, and how much He loves. It changed the posture of my heart and has inclined me to have a deeper and stronger relationship with God. It was a conference that marked hundreds of lives.

Alex and Grizel Correa

At Generation, God has given us the gift of spiritual community committed to growing by growing others. Through this church, God has marked our lives across: (1) Small Groups where discipling happens, (2) Freedom Conferences where brokenness turns into healing, (3) Summer Sessions where faith is strengthened by deeply learning the Word, (4) Prayer Nights where God awakens the cry in our hearts for our city, (5) Serve Days where we put that divine inspiration into action, and (6) Marriage Retreats where we steward our first love. That's just within our local church! Generation has also introduced us to a network of ministries that continue to bless us daily like Mercy Culture Conference and The Bible Project. And these, in turn, teach us new resources to grow our spiritual walk that we get to share back with Generation - it's the gift that keeps on giving. This virtuous cycle is only possible because the leadership at Generation is committed to following the Holy Spirit in growing people, not a building. They live out Proverbs 27:17 - As iron sharpens iron, so one person sharpens another.
